The
Crystal Caves
One man's passion...

Rock your World

Just over an hour from Cairns on the
Atherton Tablelands, share one man's
passion for crystals and fossils.

Atherton • Australia

3702-0419

The Crystal Caves tour

René built 300m2 of tunnels and grottos filled with natural crystals and prehistoric fossils for you to journey through, touch and photograph.

- Free souvenir guide book
- Interactive self-guided tour
- Unlimited photo opportunities
- Over 600 specimens
- FREE WiFi

The Crack a Geode experience

You will be the first person to see the crystals that grew inside a volcanic bubble 44 million years ago when you crack open your own geode to keep.

- Learn how to select your geode.
- Safety instruction and equipment provided to crack your own geode using the giant cutter.
