## BE BEDAZZLED BY BUTTERFLIES

Australian Butterfly Sanctuary is the largest butterfly flight aviary and exhibit in Australia. Home to over 1,500 magnificent tropical butterflies including the majestic green Cairns Birdwing, the sanctuary is an all-weather experience in the heart of Kuranda.

You'll be enchanted by these elusive wonders of nature as you wander through the aviary's boardwalks and gardens with a picturesque rainforest backdrop. Our knowledgeable guides offer free 30-minute tours of the aviary throughout the day. Learn to identify each of the butterfly species, as our guides explain a butterfly's life cycle and its behaviour. Be sure to wear something bright (we recommend red, white or hot pink) and let these beautiful creatures flutter all over you!

The tour also goes behind the scenes of the breeding laboratory, which houses up to 4,000 caterpillars. This world-class educational experience provides an opportunity to view firsthand the breeding laboratory through special viewing windows, where you will see the caterpillars in their varying stages of development.

Open 9.45am – 4pm. Phone 4093 7575
