Australia's Accessible Outback... Stay & Explore!

Welcome to the Undara Experience...

Our family were the first white settlers in this area at a place called Spring Creek, back on the 13th August 1862.

Since then, six Collins generations have explored these strange formations beneath the land, now acclaimed as one of the longest lava tube systems in the world. As when we created the Undara Experience and opened it to visitors in 1990, our passion is to preserve this unique treasure for future generations.

Working together with state environmental agencies and the award winning Savannah Guides, we employ sustainable, low impact practices, which support the fragile eco-system that surrounds Undara. We've won many awards for excellence including an Australian Tourism Award for unique accommodation and the prestigious Queensland Environmental Tourism Award. Visit us to experience over 150 years of genuine outback hospitality.

We invite you to share our Undara Experience.

SINCE 1862

The Green Season

The Green Season at Undara Experience runs from the 1st November until 31st March each year.

It's called The Green Season because it's the time of year when we receive our annual monsoon rains. As we receive only 700mm of rain per year, our climate is considerably drier than what you experience on the North Qld coastline.

Another unique highlight about Undara is we're 700 metres above sea level so we experience less humidity with a drier climate during the day and much cooler evenings.

The annual rains trigger an explosion of colour as the country is transformed from its usual brown and dry environment to one of a sea of green. This is the time of year to experience our incredible native wildlife at its best as they take advantage of the sudden abundance of food and water. During this time we don't offer the full range of tours, accommodation and meal services as we normally would. For a full list of tours & accommodation services available during this period please visit www.undara.com.au/greenseason

Fettlers Iron Pot Bistro

Your Aussie food experience continues at the Fettlers Iron Pot Bistro, a fully licensed bistro where you can enjoy authentic country cooking and Outback hospitality. Our a la carte dinner menu transports you back to simpler times with taste sensations long forgotten that have been recreated in a modern style for you to enjoy. **Open for lunch and dinner, bookings essential.**

Saloon Car Bar

Relax in the ambience of Undara Central and the bushland setting with a game of pool and a coffee with friends at our Saloon Car Bar. Enjoy a range of Australian and imported beers, wines and spirits or freshly ground espresso coffee. **Open daily for lunch and dinner.**

Fettlers Iron Pot Bistro & Saloon Car Bar have restricted operations during The Green Season.

Bush Breakfast

Experience our world famous Bush Breakfast served daily at the Ringers Camp. This authentic outdoor setting ensures you get the true essence of the Australian bush as it awakens to a new day. Enjoy billy tea and freshly brewed coffee as you cook your toast over the coals of the campfire under the watchful eye of our resident native wildlife.

Subject to availability & weather conditions. Operates April - October. Bush Breakfast doesn't operate during The Green Season.
